David,

I am writing to request a meeting with the Councilmember and my client, *Keep Neighborhoods First*, a coalition of neighbors, tenants, and affordable housing proponents who are concerned about short-term rentals and their effect on L.A.'s communities (this relates to the Bonin Motion regarding short-term rentals that was referred to PLUM). We would like to discuss the negative impacts of the commercialized short-term rental industry, and also talk about how we can work cooperatively with the city to fix the situation.

Our broad coalition will be making the rounds on August 28 and 31. Would either of these dates work for the Councilmember to meet? If not, please let me know what works for you. Thank you very much!

Hi everyone! Our group will be in City Hall on Monday and wondering if the CM might be available to meet on this issue at 2 pm or 4.30 pm on Monday. If not, we can work out more dates later in the month.

FYI by then we will have met with most other of the Councilmembers on this issue. Also, I have attached our letter with our position. Thank you!
